

Supporting Positive Behaviour and Developing Resiliency for Students with Challenging Behaviour and Emotions (Anxiety)

Presented By: Dwaine Souveny

Date(s):

Thursday, December 13, 2018
9:00 AM - 3:30 PM

Session Location:

Central Alberta Regional Consortium
8 Page Avenue, Red Deer, AB

Registration Fee:

\$75.00

Audience: Teachers, Educational Assistants

Grade Level: K-12

About the Session:

This presentation will incorporate information from the Alberta Education manual Supporting Positive Behaviour in Alberta Schools: An Intensive Individualized Approach (Dwaine was the principal writer) to provide address behavioural and emotional challenges within the classroom including a specific emphasis on anxiety. Through the use of personal examples and illustrations, specific strategies and techniques will be presented.

About the Presenter(s):**Dwaine Souveny**

As a psychologist and certified professional coach, Dwaine has worked successfully with children displaying a variety of special needs within a multidisciplinary team, as an educational consultant within school districts as well as in private practice. He has a specialty interest in working with children with challenges in the areas of social and emotional behaviour with a specific focus on Attention Deficit Hyperactivity Disorder (AD/HD), Fetal Alcohol Syndrome Disorder (FASD) and Anxiety as well as with students with differentiated learning styles and abilities. Many of the sessions Dwaine presents are based on materials including resource books, training manuals and train-the-trainer sessions that he has developed for Alberta Education. Dwaine has provided workshops nationally and internationally, which have been evaluated as being dynamic, humorous, thought provoking and filled with practical information.
