

Wheels & Levers / Simple Machines Grade 4

Presented By: Ed Kusmirski

Date(s):

Monday, January 27, 2020
3:00 PM - 4:00 PM

Session Location:

Central Alberta Regional Consortium
8 Page Avenue, Red Deer, AB

Registration Fee:

\$20.00

Audience: Teachers

Grade Level: Grade 4

About the Session:

Join us for an overview of the scientific concepts in the grade 4 unit *Wheels & Levers*. We will discuss simple machines using hands-on experiments and demonstrations. You will leave with new ideas for classroom ready activities.

The Alberta Science Network Teacher Workshops program is geared to new teachers and teachers new to a grade level. We provide the theory behind the science and give teachers practical ideas and demonstrations to make them more comfortable and confident with the unit.

About the Presenter(s):

Ed Kusmirski

Ed Kusmirski, P.Eng. is the Executive Director of the Alberta Science Network and has been providing workshops through the Alberta Science Network for Teachers in Alberta for a number of years. These workshops are directly linked to the Alberta Curriculum.
