

Introduction to Leveraging Project-Based Learning at Home

Presented By: Future Design School

Date(s):

Tuesday, May 26, 2020
9:00 AM - 10:00 AM

Session Location:

Zoom
Anywhere, Anywhere, AB

Registration Fee:

Free

Audience: Teacher, School leaders

Grade Level: K-12

About the Session:

How might we transform this challenge into an opportunity? This webinar will focus on the importance of building an optimistic and innovative mindset, while guiding participants through the foundational steps to transforming content into real-world, authentic, projects. We will share exemplars of project-based learning from across grades and subject areas to inspire teachers with new ideas for how PBL can be implemented remotely.
